Bylaws Article 3 ENDS WE SEEK abbreviated

- 3.1 Integral education. Children and youth practice personal fulfillment and engagement in society, in a school program of respect for self determination, and trust in an inborn tendency to self-actualize.
- 3.1.1 Opportunity. Students have abundant opportunity for personal fulfillment and societal engagement.
- 3.1.2 Growth. Students grow in many dimensions, such as physical, intellectual, emotional, social, and spiritual.
- 3.1.3 Self-determination. Students enjoy natural rights of life, liberty, and pursuit of happiness, paralleling adult experience in the community beyond school.
- 3.1.4 Governance. The daily school program is self governing, with authority and responsibility shared among the governed, students and staff alike.
- 3.2 Outreach. Parents, educators, public policymakers, and the general public have access to information about the school and integral education, sufficient to facilitate understanding, replication, and adaptation.
